

ALOVÉA EASE

EXTRA STRENGTH SALVE!

Alovéa Ease™ offers an easy-to-use, rapid absorption proprietary blend of Phytocannabinoid Rich Hemp Oil, Alovéa AE (Acemannan Extract) and rich Certified Organic Essential Oils to help soothe and ease discomfort and tension. You will feel the tingle!

PROPRIETARY FORMULA INCLUDES:

- Phytocannabinoid Rich Hemp Oil
- Acemannan aloe vera extract
- Certified Organic Essential Oils
- Transdermal delivery system that insures quick absorption of beneficial ingredients

Extra-Strength Salve with Phytocannabinoid Rich Hemp Oil and Alovéa AE (Acemannan Extract)

BENEFITS:

- Easily applied and absorbed
- Rich emollient moisturizer for more youthful skin
- Eases irritation, soreness and great for pre and post workouts
- Helps soothe and ease discomfort and tension
- Feel the tingle!

My hands have begun to ache frequently and after I used Alovéa Ease, the aches disappeared, plus my hands are so much softer.

– Sharon M.

BALMS VS SALVES

In the growing world of hemp topicals, there are many balms and salves. What's the difference?

Most balms sit on the skin and have to be rubbed in, while salves absorb into the skin. Salves are softer than balms and can be applied with a fingertip or small spatula. Balms contain more beeswax and are harder.

Alovéa's Ease utilizes a transdermal delivery system to optimize the incredible benefits of the phytocannabinoid rich hemp oil and Acemannan which when combined with the benefits of the certified organic essential oils, provides immediate absorption through the skin for a quicker easing of tension and discomfort. That extra tingle adds that special "WOW" factor!

Alovéa Ease can support our Customers and Partners with goals involving improved nutrition and healthier living. Every Reboot Kit and product purchased also helps to nourish children in need through our Buy 1, Nourish 2™ giving initiative. For details, visit alovea.com/hopemovement.

ADDITIONAL INFORMATION

ACEMANNAN – THE GAME CHANGER

There are many hemp oil products that have been formulated with additional ingredients to provide support for specific benefits like improved sleep, mood and joint health.

Combining the immune modulating fractions of Acemannan with phytocannabinoid rich hemp provides a symbiotic impact (1 + 1 = 4) that can dramatically enhance overall immune support.

Each jar of EASE is blended with a proprietary blend of these rich hemp cannabinoids and Alovéa AE (Acemannan Extract) with an emollient blend of certified organic essential oils, a powerful combination to ease tension and discomfort naturally.
